### INNOVATE TO DIFFERENTIATE

A Science Exhibition was organized on 25<sup>th</sup> November 2023, with the objective of inculcating a scientific attitude and aptitude among the students. Other departments like language, Maths, Social Science and Computer Science also took part in it and the students showcased their static and working models. Students from Khatguria campus also displayed different models and experiments with great enthusiasm. It was indeed a fruitful effort to shift them from theoretical study to practical implementation.
